HMS\_SRS.docx;

Hi Narendranath,

I hope you're doing well.

The **SRS document** for the **Hospital Management System (HMS)** project has been completed. It's attached for your review and approval.

Please review the document, and we can discuss any necessary changes. I'm ready to begin the next phase of the project once we have your approval.

Regards,

**A.Srinivas,**

Programmer Analyst Trainee,
